

MID-PACIFIC INSTITUTE HOMESTAY PROGRAM

STUDENT RESPONSIBILITIES

Your Homestay experience is to be regarded as a sharing of cultures and not simply as room and board accommodations.

- As part of the family, you will be expected to **help with household chores**, mainly **keeping your room neat and tidy** and prepare an occasional meal for yourself if needed.
- You must **abide by the rules of your host family** and the laws of the community, such as set curfew hours for minors.
- There will be absolutely no consuming of **alcoholic beverages, use of illicit drugs, or smoking of any kind.**
- Bathing should be completed within a reasonable time (20 min.) so as not to infringe upon other family members.
- Cellular phone bills will be paid by student.
- You will stay with your originally assigned host family unless a move is arranged by mutual agreement between the host family and MPI Homestay Program.

Individual Homestay Tuition:

\$1000.00 - Monthly Homestay Fee paid directly to host family.

\$200.00 - Monthly Guardian Fee paid directly to guardian (if applicable).

\$500.00 – Annual non-refundable Registration Fee paid directly to:
MPI Homestay Program.

If it is determined by the MPI Homestay Program that the **student's behavior** at the originally assigned home is the cause for locating a new Host Family, an additional \$500.00 will be charged.

Please contact Yasu Yorita by phone (808) 973-5033 or by e-mail at yorita@midpac.edu if there are any questions concerning the program.
