At Mid-Pacific's Official Bookstore

Did you know that students who order their course materials early save the most? That's because they're able to order used copies of more of their textbooks, which can provide savings of up to 25 percent off the list price!

Other ways to save include:

Marketplace:

Save up to **95%** by buying specific titles from private vendors

Guaranteed Buyback:

See the exact buyback amount you'll receive at point of purchase to avoid end of semester surprises. Combine this with used books and **save up to 70%!**

Digital Materials:

Savings of up to **80%** off the list price, plus added convenience and an enhanced experience
