

MID-PACIFIC FUND

Our distinguished Pueo Pacesetters set themselves apart as the first to step up in support of the Mid-Pacific Fund. With your renewed or new gift at the President's Society level (\$1,000 - \$2,499) or higher, specifically for the 2021-2022 Mid-Pacific Fund, your commitment inspires others in our community to give at their highest level, laying the cornerstone for yet another successful year.

We recognize your leadership - Pacesetter pledges and gifts received by October 15 include these special perks:

- Published recognition as a Pueo Pacesetter in our 2021-2022 Honor Roll of Donors included in the fall/winter Mid-Pacific Today magazine.
- Special acknowledgment as a Pueo Pacesetter at next year's President's Society event* for gifts received at or above \$1,000.
- The honor and pride of launching us toward this year's \$1.2 million Mid-Pacific Fund campaign goal.

*The President's Society includes all donors who contribute \$1,000 or higher by July 31, 2022.

For your convenience, please submit the completed form with the enclosed envelope by Friday, October 15.
