

MID-PACIFIC FUND

Each year **PUEO PACESSETTERS** distinguish themselves as trailblazers in support of Mid-Pacific's highest priorities through the Mid-Pacific Fund. This year, we continue to illuminate greatness by supporting students, faculty, families and our greater community through the Mid-Pacific Fund.

This essential fund is put to use right away to provide financial aid, professional development for our faculty and staff, and maintain our safe, beautiful, historic campus, while providing our students with the best student-experiences there are to offer.

We recognize your leadership - Pacesetter pledges and gifts received include these special perks:

- For gifts received by September 9th, 2022 - Special acknowledgement as a Pueo Pacesetter at the President's Society Dinner event* for gifts received at or above \$1,000.
